FALCON I was drawn in the winter of 1990. It was an inspiration from the cartoon series GALAXY RANGERS and the main character was based on Shane Gooseman. The entire episode was destroyed by the artist after a fit rage initiated by his father and his forced equation of "counting rice" dilemma on the artist at a very young age (12 yr).

Falcon comics started off when I drew my very first episode (now lost) where the power of Falcon arrives in planet Thundarr from space. The FALCON I was Chan Gooz Mon, he is not related to FALCON II or FALCON III. He was a craftsman who would make crafts to earn a living. He was the first FALCON to receive the Ring of Power directly from the Alien of Power Ring.

The Alien is yet to reveal which or what planet she originates from and why the Ring of Falcon was sent to Planet Thundarr.

THE RESPONSIBILITY OF  
THIS RING OF POWER IS  
FOR THAT INDIVIDUAL WHO  
IS TRUE OF HEART AND  
PURE OF MIND. OTHERWISE  
THE RING HAS NO POWER.

THIS SECTION OF THE BOOK TELLS THE READER HOW THE EGG-CREATURES CAME INTO BEING & WHO IS CLARA DEEDS & DR DEEDS.

# egg-creatures & mother

7903 1113 #03507 \*09073

Egg-Creatures are a genetic creation of the mis-fit scientist Dr Deeds. The scientist was successful in incubating a life formula - which he formulated himself - and was able to inject it in the rectum of a his daughter Clara Deeds. Clara is genetically unique as she never got sick in her whole life and also her saliva contains traces of living organisms that are capable of generating life forms. Her rectum showed the most presence of that organism hence Dr Deeds took full advantage of it.

Dr Deeds was caught by the law enforcement agency DEC (defence enforcement center) and sentenced to a life-term for his involvement in illegal genetic practices on his own daughter and for generating banned life-forms which has turned into pests like creatures similar to rats or mosquitose.

Clara was not charged and she remains "missing" ever since the Doctor's arrest and persecution. Clara is said to have powers over her Egg-Creatures who always obey her every command. The power of the pest are in her hands literally. They came from the smallest of holes and can fit in the smallest of holes anywhere and do wonders!

my o my! this is fantastic - my father did it! I mean its amazing...first the laying of my eggs and now life! He is indeed a true genius. A scientist worthy of having his name in the HALL OF FAMES! hehehehe

They are so cute and cuddly! I wish I could eat them but they smell like my poo! hahahaha..... this is so much fun also! I wonder what they are saying though....?
