

Faros Faros

Cartoonist

Adventures

THE COMPLETE EDITION

By Omar Saif

so faro farosh, what are your plans? how will you revive? pray do tell.

falcon cartoonist strip-box 1 , all by Omar

love and caring is all it needs! my all new falcon adventures will be just of that mr taliban wanna be but not.

don't judge people by their looks you western looking moron!

what do you mean you will base it on love and caring? thats a dumb thing to do.

falcon cartoonist strip-box 2 , all by Omar

but that is what you have suggested , remember? it was your idea.

i remember, i am the one who suggested so, but that doesnt' mean you have to turn Falcon into an Indian movie !

hey! thats not a bad idea you know. Indian movies are making millions just by selling love (sexy girls in small outfits)

yes, but you are not India and you cant' attract audiences by sexy girls drawings only. there are millions of live images on google image search already.

cripes and fruits that ripes! so how do i proceed with the re-make of my Falcon adventures? hold on! i got it, let me google that. be right back

so what happened with your original concept of Falcon? you know where your plane crash lands and you find a cave and all?

there is a new Green Lantern movie coming out. the story is similiar to the one i have. plane crash and power rings.

hahahahahaha! man! that is just hilarious! and you didnt' know that Green Lantern has similiar story? you use to read the comic as a kid right?

falcon cartoonist strip-box 3 , all by Omar

yeah! i copied it from here and there , even took inspiration from Captain Planet and MacGyver! sigh!

till that stupid Green Lantern movie everything was fine. but now everyone will say Falcon is just a copy.

hey! this doesnt' look all too bad, its just you look much funnier and more a looser and also you are talking to a stuffed cow! yup! this is a sure hit.

don't listen to that stuffed
cow, you know how he likes
to tease people all the time.

falcon cartoonist strip-box-4-, all by Omar

but he is right. Falcon comics
keeps failing no matter how or
what is tried. it failed several
times now.

and it will fail more. as people
have cursed it several times
now. due to immitaiting
western culture and things!

and now the holy man is
cursing. there is absolutely no
hope for the comic.

come on Faro Faros! you
know better than not to believe
in supertitious things and
baseless curses.

by the way its' getting late for
my holy book lessons. missing
that may bring in some bad
karma that we may not want!

i got it! Falcon new
adventures will be a tablet
App. that will surely work!

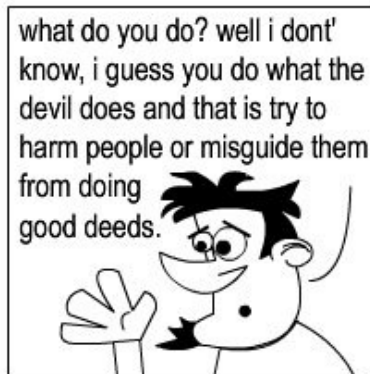

falcon cartoonist strip-box 5 , all by Omar

dear boy, you need money
and money only.i can tell that
the tablet you are holding is
rather the usd\$35 indian one,
isnt' it?

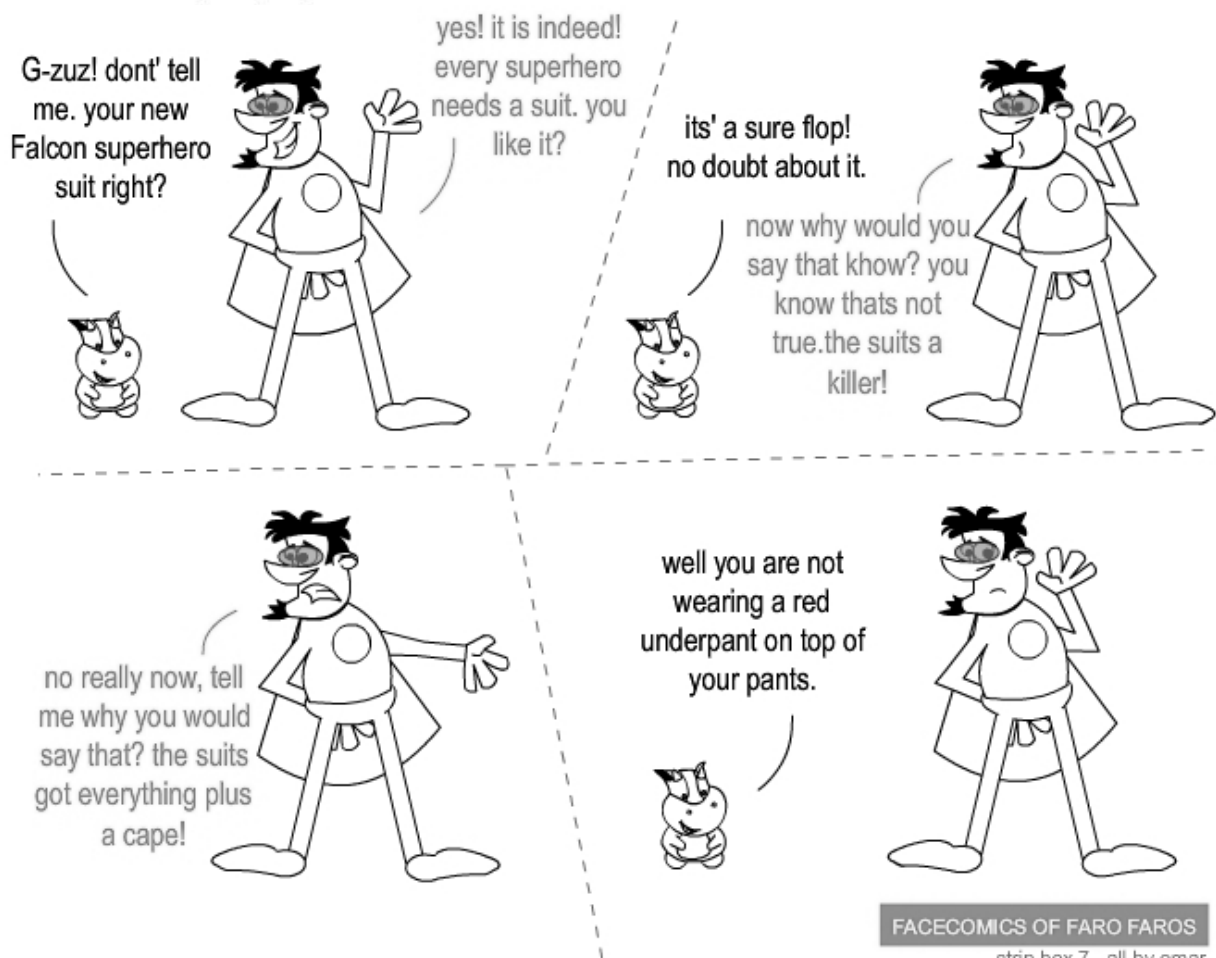

its HIVISION SPEEDPAD at
usd\$110 from china actually.
one that was falsely claimed
to be indian. similiar to the
incidence of Falcon comic
book with
Green
Lantern!

falcon cartoonist strip-box 6 , all by Omar

hey! hi there. you
are Faro Faros
right? the Falcon?

yes i am. but what
in heavens name
are you? are you a
freaking talking
frog?

i am no freak but
yes i am a talking
frog. and by the
way i am also your
new enemy or
rather foe you
know the bad guy
of your comic
series. my name is
Ribbit.

my new foe is a
talking frog named
Ribbit? is this some
kind of a joke?
whose idea was
this anyway?

mine. i figured the devil
himself is too lame a
foe for any comic book
hero so thats' why i
imagined the talking
frog and here he is.

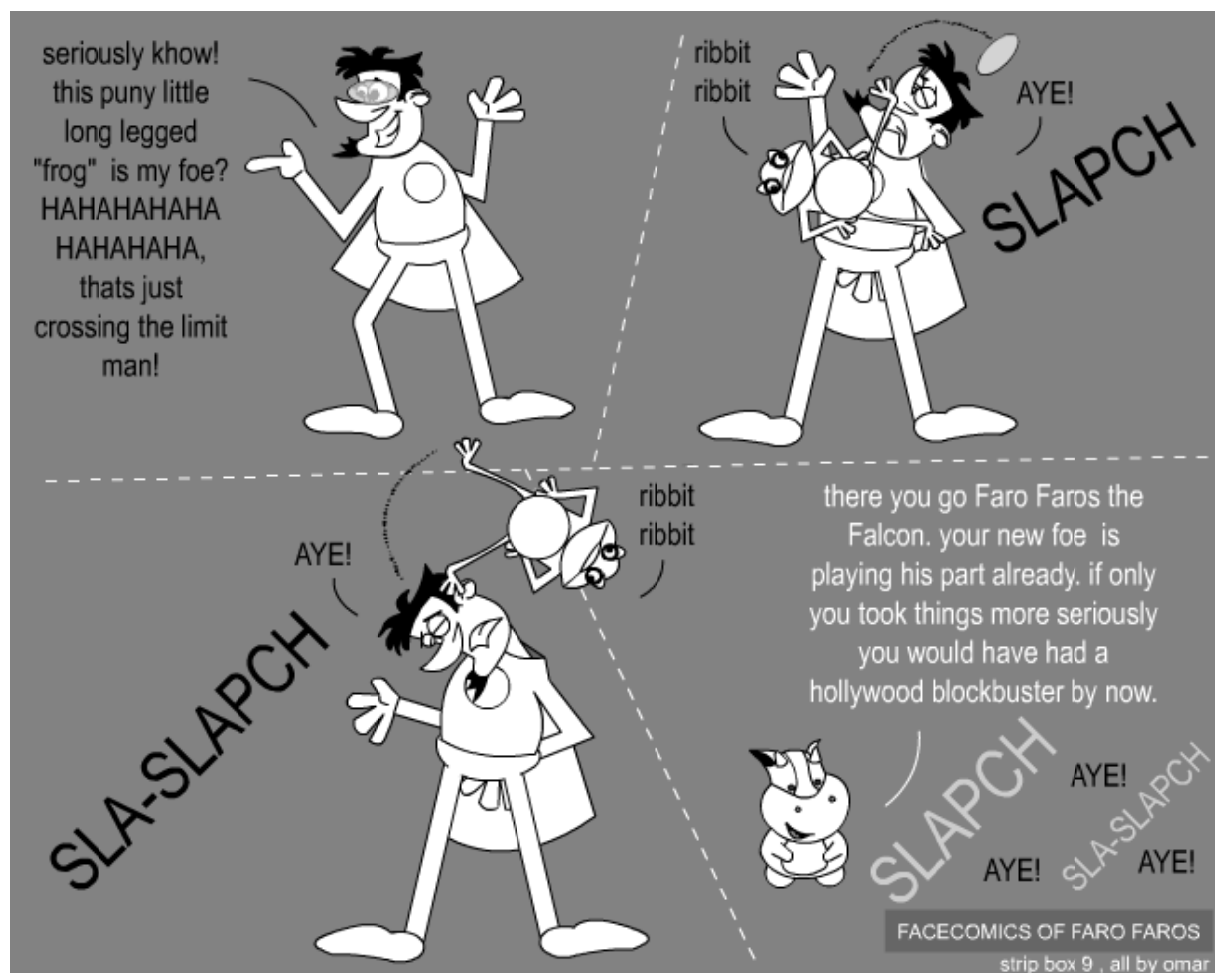

yeah!
ribbit
ribbit

FACECOMICS OF FARO FAROS

strip box 8 , all by omar

goodday sir,i am
savita, may i help
you sir?

what the? who are
you? dont' tell me
you are also one of
my foes and khow
have sent you as
well!

no sir, i am
actually the
cleaning
maid. here to
help keep
Falcon
comics neat
and clean sir.

a cleaning maid?
what non-sense is
this? why would
Falcon comics
require a cleaning
maid? err...how
much do you take
as salary?

well sir my going
rate is "i get to play
a foe or friend
character part" in
your falcon comics
sir.

FACECOMICS OF FARO FAROS

strip box 10 , all by omar

EEEEYAAAAAH!
HUUU

G-zuz! what's with
the shouting Faro?
why are you so
excited?

are you blind
khow? cant' you
see? i am flying!
Falcon is flying!

wow! you sure you
feeling ok Faro?
cause it seems like
you require an
asylum or something.

yeah! you
may be
right khow

FACECOMICS OF FARO FAROS

strip box 11 , all by omar

hey holy man! you
kinda look like
laden you know!

yeah, some people
say that. i do look
like the infamous
bin laden

so why are you
asking that
suddenly Farosh?
you do know laden
is dead now.

i was just thinking
since they dumped
laden's body
whether it would
be a boost for
Falcon comics if i
killed you instead
and produced a
body. hey why are
you running off to?

FACECOMICS OF FARO FAROS

strip box 12 , all by omar

you need to be
RICH Faro
Faros, you need to
show you are
successful. a car, a
house and some
bank balance. you
need to show you
are RICH Faro.

yeah, Mr Poor
Politics. a car a
house and some
bank balance
sounds quite nice.
but where is the
heroism is that?
being RICH?

heroism? why
would any RICH
person want to be a
hero? look at me
Faro, all my life i
have made
MONEY left and
right, more left than
right money!

well i cant' take
those left
money, those are
wrong money. by
the way are you
still open for a loan
perhaps? money
that i will take from
you but will return
soon!

FACECOMICS OF FARO FAROS

strip box 13 , all by omar

so Faros has agreed to hire you. you are savita the cleaning maid right?

yes i am savita, but i not JUST the cleaning maid. sir Faros has agreed to take me on as one of his foe as well in his comic book Falcon! i am so excited hehehe

you will clean and you will play a part as a foe? how will you manage that? is that even possible?

well i will ask for more pay and do less and less work

can i start now? i mean i know i haven't started cleaning, but can i ask for a 25% raise?

hey khaw! meet
TOUCHFACE,
the very first
robot with a
touch screen on
its face and also
with the ability to
animate his eye
and mouth using
touchscreen
display!

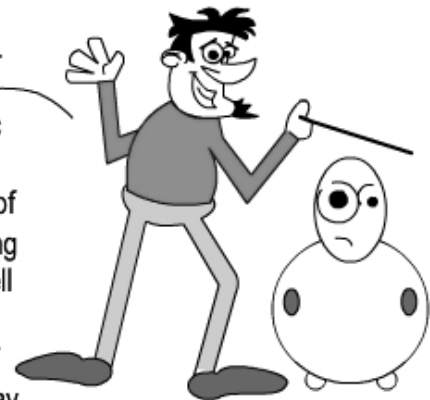

so that means it does not require any physical
presence of mechanical eye, ear, nose or mouth! in
order to express itself it uses an app called
"FACEAPP", nice eh?

awesome! this looks a decade
ahead of its' time Faros! well
done i must say. but what are
you planning to use it for? i
mean yeah its a face that can
express itself, but i cant' think
of a use for it now.

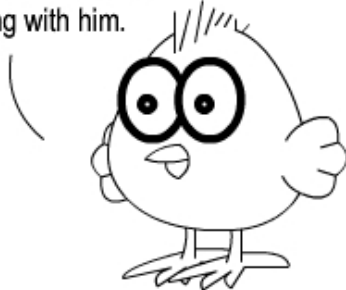

exactly! there is
absolutely no use of it.
just like when the
touchscreen pocketpc
was launched back in
2000 ten years ahead of
its time. this one is going
inside the locker as well
for the next ten years!
OR till Apple thinks of
marketing it the right way
HAHAHAHAHA < sign >

FACECOMICS OF FARO FAROS

yes, thats right, Faro Faros the
so called Falcon called me up
and asked me to have a
meeting with him.

he called YOU up? he called
up a chicken and asked you to
have a meeting with him! man
o man o man!

he should be here any
minute now. you have
come to the right place,
this is his house. you
wouldn't happen to know
WHY he called you would
you? i am dying to know
now ..

sure he did so, he says he
wants to open a poultry farm
business to earn some money
for a project he wants to launch
soon. something about a comic
book project.

OOOOOOH - SNAP!

so THE DEVIL, how are things then? have you and Faros made any new episodes lately? by the way how come you are so FAT?

well khow "gluttony" got to me arki *. i ate and i ate and i ate, rich food , poor food , all food!

* sort of

gluttony got to you? you are the devil himself and you fell for your own sin... man! thats just sad. i also noticed you dont' have any arms or legs, what gives?

well i use my mouth to commit sins, i talk into peoples heads and they use their arms and legs instead to do sin stuffs.

amazing!

FACECOMICS OF FARO FAROS

hello Falcon! remember me?
its' been a long time no see
Falcon huuuhahahahahaha!

CRIIIPES! the DOG!
what the and who the. no
one told me the DOG will
be playing a part in my
new Falcon episodes.
this Falcon is suppose to
be "funny" and not all
serious and dangerous!
who changed the script?

RELAX! Faros. its' just me,
khaw. i thought i make a mask
of the DOG - your past foe in
your original Falcon series,
the one who tried to kill you
repeatedly but never could!

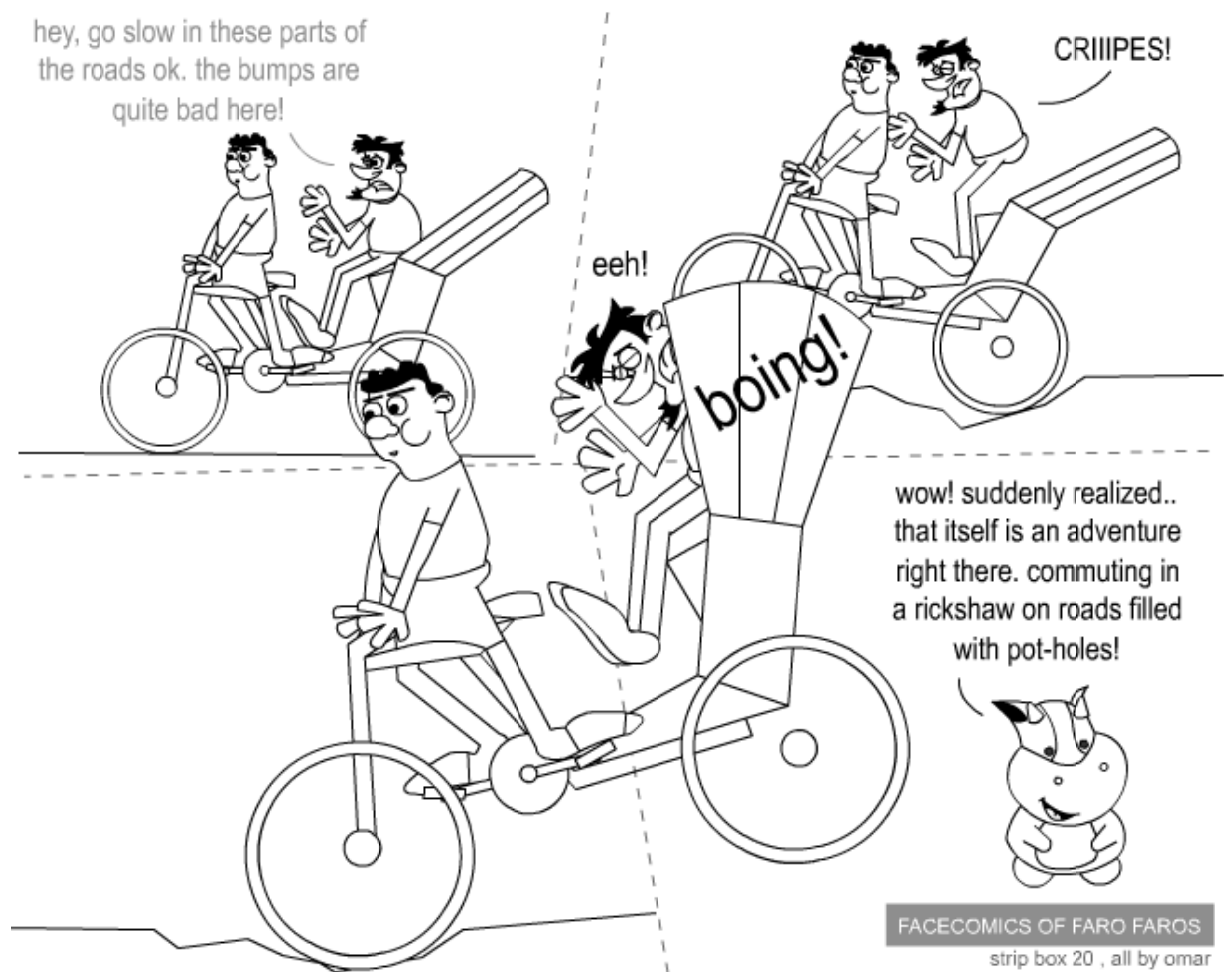

so i reckoned in honor
of the DOG i make a
mask which will serve
as a memoir for the
character. Plus i can
sell it as a halloween
mask and make a
business out of it too!

hey khow! i think we made a
huuj (huge) mistake by
changing the whole falcon
theme and all.

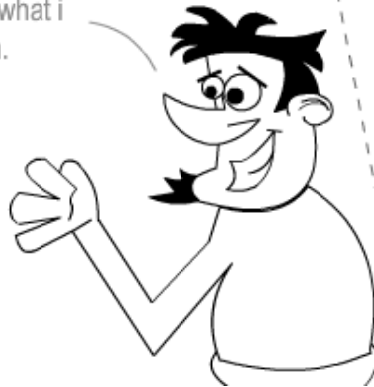

why? what makes
you say that?

well i watched the new
trailers of the up coming
GREEN LANTERN movie
and from the looks of it
the themes used in the
movie is very "hillbilly
type"...the color,the
costumes and the special
effects used in it are not
up to the standards!

i mean falcon had
more "standards" if
you know what i
mean.

no worries. its the time and
trends...if GREEN LANTERN is
a flop then who cares! as long
as sling shooting some angry
birds is a hit so will this - "you
talking to a stuffed khow" -
Falcon will be a hit in due time!

are getting to me. can i
confess and repent my wrong

kind of sins are we
talking about here?

FACECOMICS OF FARO FAROS

well you said Falcon has
been cursed due to
immitaiting western
culture and things...so i
was wandering if you had
any alternate solutions?

best i can recommend you
Faro Farosh is that you start
immitaiting mid-eastern
culture in your strips, like
show girls in burka *, that
might just lift your curse.

* hijab

and here comes
my rich and
spoiled cousin Cal
Faros in his
recently
purchased what
must be his 7th
personal car. no
doubt he has
come to show it
off!

hey cousin Faro!
how are things?
hope all well with
you my brother.
check this out my
new car!

it's my 7th car you
know! this one is a
bit different from
the rest. wanna go
for a ride?

no thanks Cal. you
know very well i dont'
ride cars as it pollutes
the environment and
is against my holy
beliefs (no harm to
nature). so how much
did it cost and does it
have 4 wheel drive?
can it drive on muds?

ok cousin, your life your choice. do let me know when you change your mind about it!

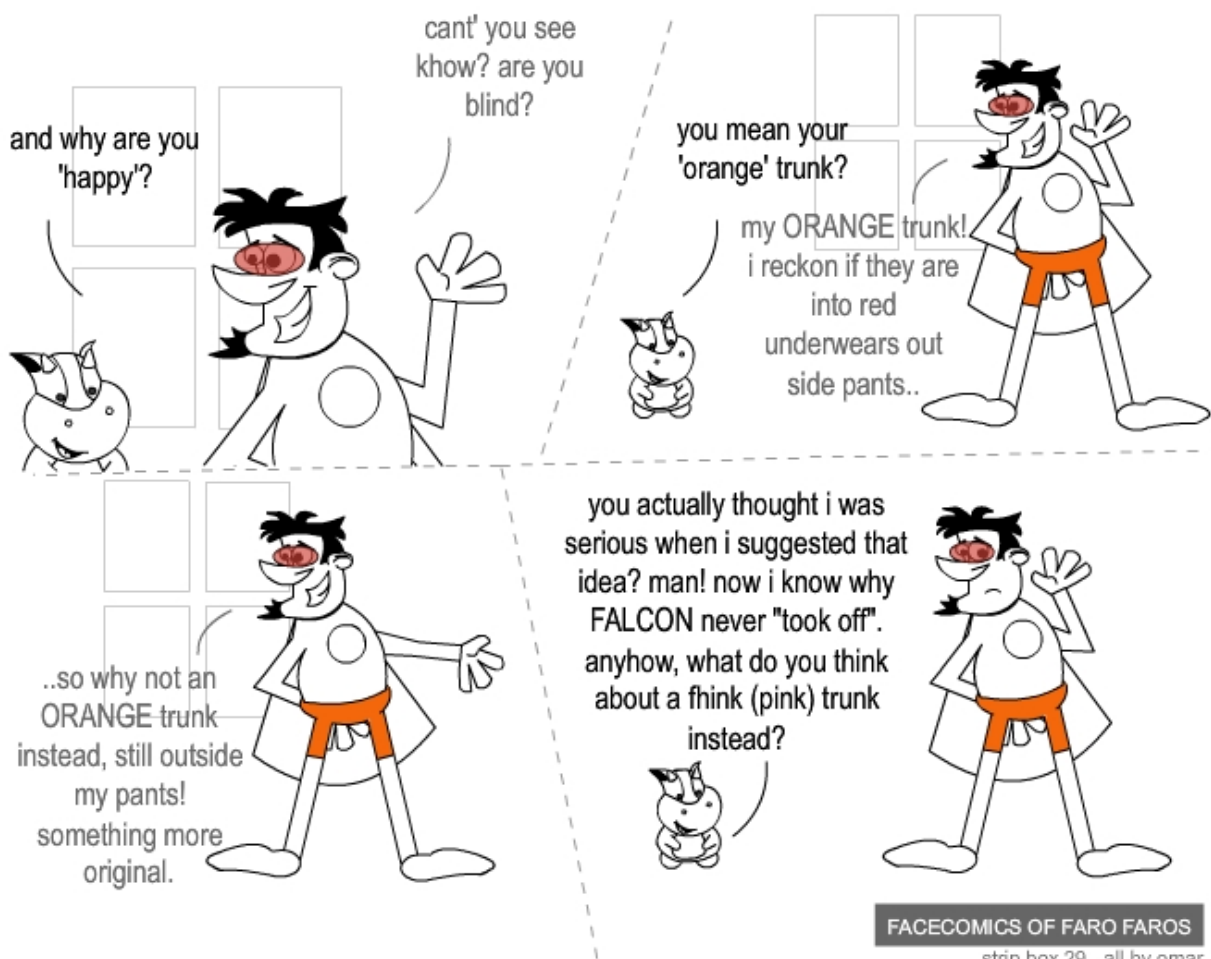

i was planning to give you this car and get a new one for myself. oh well, see you later!

that car? man your car is a smooth ride! i have not been on it but looking at it...OOW! man how i am wishing now that there were no actual GLOBAL WARMINGS... damn those scientists who discovered it.

you need to be RICH Faro Faros, you need to show you are successful. a car, a house and some bank balance. you need to show you are RICH Faro. if you are not rich you are a nobody!

listen Mr Poor Politics, having a car or owning a flat does not guarantee 'happiness'. i am happy without a car and a flat. also i am very happy now cause i have been invited by Google to have an exclusive Google + account one month before it goes public! hehehehehehe

ramadan mubarak to you too
Faro Farosh, i see the holyman got to you good, so whats with the topi or holy cap?

to honor the holy month and to show my religious identity khow.

ramadan mubarak
holy man! hope
God brings peace

ramadan mubarak
Faro Farosh! yes, it
is the month of
holiness indeed.

it is the month of
pure thoughts and
good deeds, no lies
are to be spoken
and no dirty
thoughts are to be
thought of Faro
Farosh.

all done with the
brooming holy sir, should
i mop your floor now?

eerr yes and do feel free to
bend down while cleaning
it,so as to clean it properly.

FACECOMICS OF FARO FAROS

its' ramadan
holyman and i
want to recite
special prayers
this month.

ramadan mubarak
my dear, oh yes we
all shall recite
special prayers this
month. but tell me
why all the
coverings?

it is the month of
pure thoughts and
good deeds, not
the month of
covering your body.
be free and
comfortable! why
dont' you try on a
tight jeans and
short shirts and
come back?

but isnt' that a
'sin'? exposing
your body like
that? ramadan or
not?

eerr yes , oh well how about
paying me some extra 'extra'
bonus for this month instead?

FACECOMICS OF FARO FAROS

strip box 40 , all by omar

its' almost eid holy man and i am trying out my new clothes before eid day. what shopping have you done so far?

well Faro Farosh i am a 'holy' man and i do not believe in materialistic possessions and do not care what the 'plastic' world has to offer.

and specially after the month of ramadan or rather the month of pure abstinence i have no intention of indulging myself in lust, greed and gluttony.

holy sir thankyou for the bra type blouse for me to wear this eid day, i am actually wearing it now and also all the ingredients for polao rice and beef curry has been bought from the market with the money you said you found lying on the street pavement.

eerr yes thankyou savita, eeer you look good in that bra..i mean new style blouse.

FACECOMICS OF FARO FAROS

strip box 41 , all by omar

happy eid cousin
Cal! hope this day
brings you
blessings and
happiness. so
what have you
gotten for this eid
cousin? new shirt?
new shoes?

eid mubarak
cousin! i am really
glad you asked
about my eid
purchase. i was
really confused as
to whether to keep
it or change it to a
different color
instead?

so what is your
opinion on my
newly purchased
yellow corvette? i
was thinking of
getting a red..

then i thought
everyones' into red
on eid day, so i
wanted something
different, but now i
am not so sure.

yellow? red? what the
heck cousin its' eid, go
get em both! you can
afford it. i mean if i
could i would have
gotten both red and
yellow punjabis' that i
am wearing now. only if
i was as "dirty rich" as
you LOL.

the new falcon comic strip
doing better khow, much
better than the previous one!

it should! it is more
honest, life-like and
emotional than the
previous sick super
hero concept one.

yeah kids and
adults now a days
are really into
emotional comic,
like DORAEMON.

yeah he is a real
super hit!

i wonder what makes
him so successful, i
mean its a cartoon
that depicts everyday
life of any small boy
with an imaginative
alien pet cat!

this for

hey khaw, how come me the chicken never
get to play any part on any of the episodes in
the new but now kind of old falcon episodes?

well you are a chicken,
chicken. chickens taste good
as meat not so good as
cartoon characters i guess.

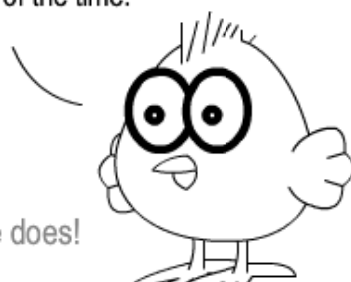

but it is odd, Faro Faros
has not spoken to you
even in one episode.

maybe he feels like he is
talking to himself when he
does so? you know, he
chickens out most of the time.

LOL that he does!

FACECOMICS OF FARO FAROS

strip box 44 , all by omar

hey khow,so it's the 45th episode of the then new but not so now Falcon funny comic strip episode.

so it is! and i must say i am quite baffled that this has not stopped yet.

oh come on now! why would this stop? its' very easy for the artist

(omurai) to go on, as it is just a "copy n paste" job!

that is correct!

i mean literally all he has to do is save it in a different file name and that is all! no hardcore drawing no erasing and no imperfect lines!

yeah all very true, but he could have given you a better nose and a smaller face too, you know to be more perfect.

FACECOMICS OF FARO FAROS

you been?

well, i have been
'waiting' ever since
you called me up,
you were suppose

for your income

oh yeah, about that

well i asked for a

interest is too high,
i can't make ends

when i looked again i

it must be Mr Ken

talking about an
equipment made
in China which
would help Faros
the Falcon fly!

well its' working

well, not really. he IS a mental case
still that is why we are back, all he
can do is sit in front of the stupid

so making this strip

hey! we are back
again khow.

that we are, again.
back from being 'not
drawn' by Omurai.

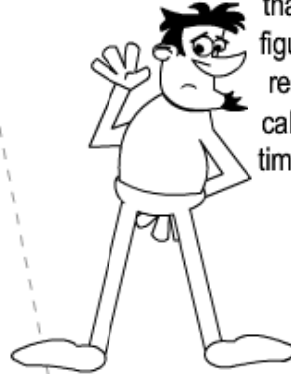

yeah, he completely
stopped drawing us
since ramadan!

that is correct!

so at last we have
the 84th episode of
the Facecomics of
Faro Faros!

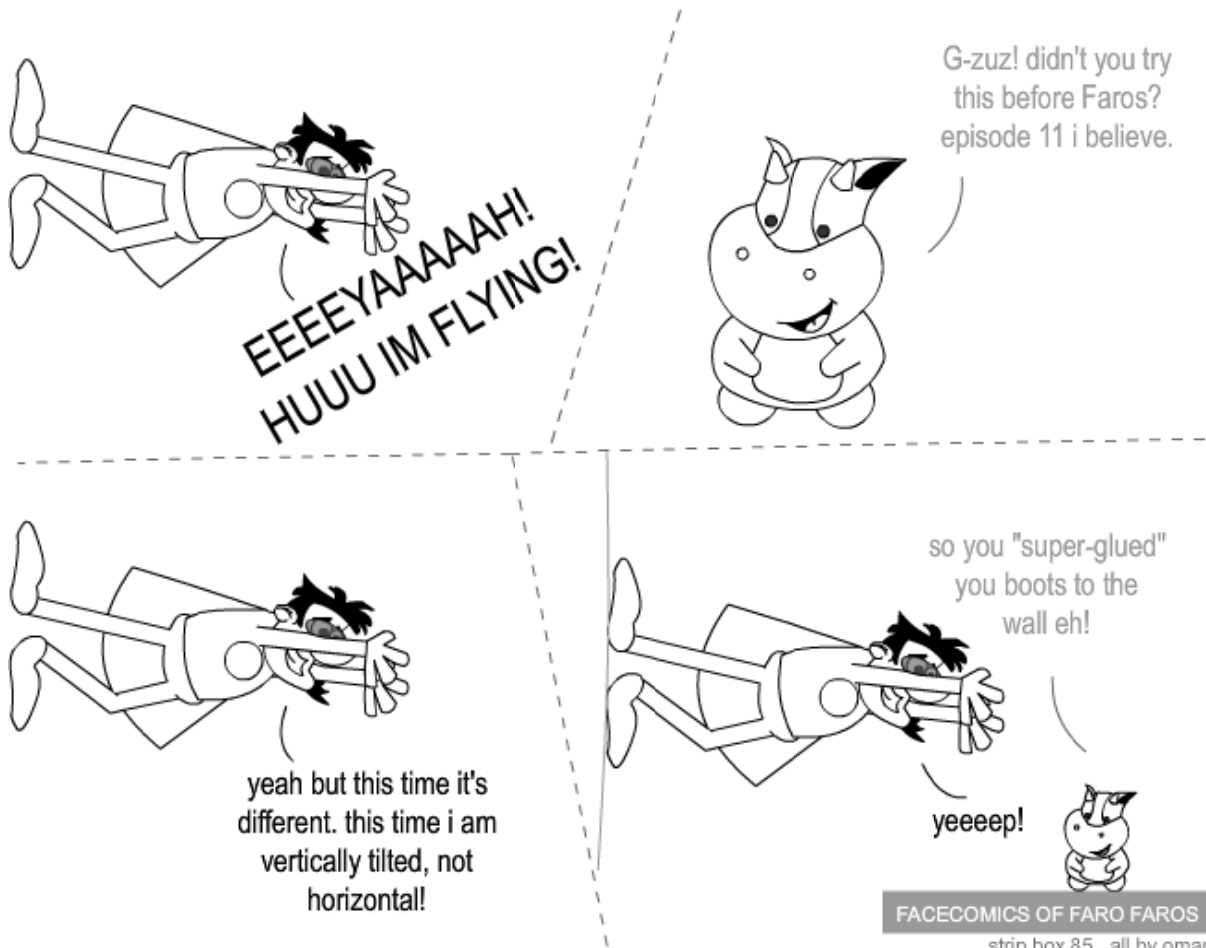

i don't know Faros, people are not
that dumb you know. soon they will
figure out that all Omurai is doing is
repeating some silly episodes and
calling it "new episodes". when that
time comes finally i don't want to be
drawn anymore arki.
